The. -VAN-GOTT- Family.

From SHOONOVEN - HOLLAND. in the year 1652, there came to LONG ISLAND, America; CLAES VAN CATS with his wife JATALYN JANS. They were known to have a family of at least three sons, as-

CORNELIUS. Bapt. 12 of June 1671.

JOHANNES B. 1674. at Bushwick L.I.

David no record, but it is said there is a book on the above three men in the New York State- Library, N.Y.

In The following records you will find CORNELIUS above and his family to date .1962.

Our Canadian Pioneer was JOHN VAN GOTT who was a great grand son of Cornelius who was born 1671- John VanCott married Gertrude Cole and settled in ADDLUPHSTOWN. He was on Major Close's List of 1788. They had three children, Deborah, Sarah & Peter who were twins.

The above record was sent to me by Frank VanCott Of Salt Lake City and it would appear he had done considerable research on his family who were the issue of JOHANNES, above. In doing so he had found who our Canadian Pioneer was, but only part of his family as I have found in my search., to date

Time became aviable to me in 1957-8. and I began a search, but did not make much progress until I went to the Dominion Archives, Ottawa. Previous to this they had informed me no VanCott had drawn land. In a book of Loyalists names I found names written as-

JOHN VAN Colz - a soldier Royal Regiment of New York .
JOHN VAN Cotz - " " " " " "
John VAN Scot - " " " " " "

I found a file on John V an Scot a discharged soldier from the late Royal Regt. of New York Commanded by Sir John Johnston, and having drawn but 100 acres besides his family land prays that the two hundred acres additional land may be granted him and also lands for seven children born before the year 1789. viz. ALIDA. 16. SARAH. 15. PETER. 15. ANN. 14. CATHERINE. 11. JOHN. 9. CORNELIUS. 8 yrs.

Kingston 20. sept. 1797. John Vanscot. X
his
mark

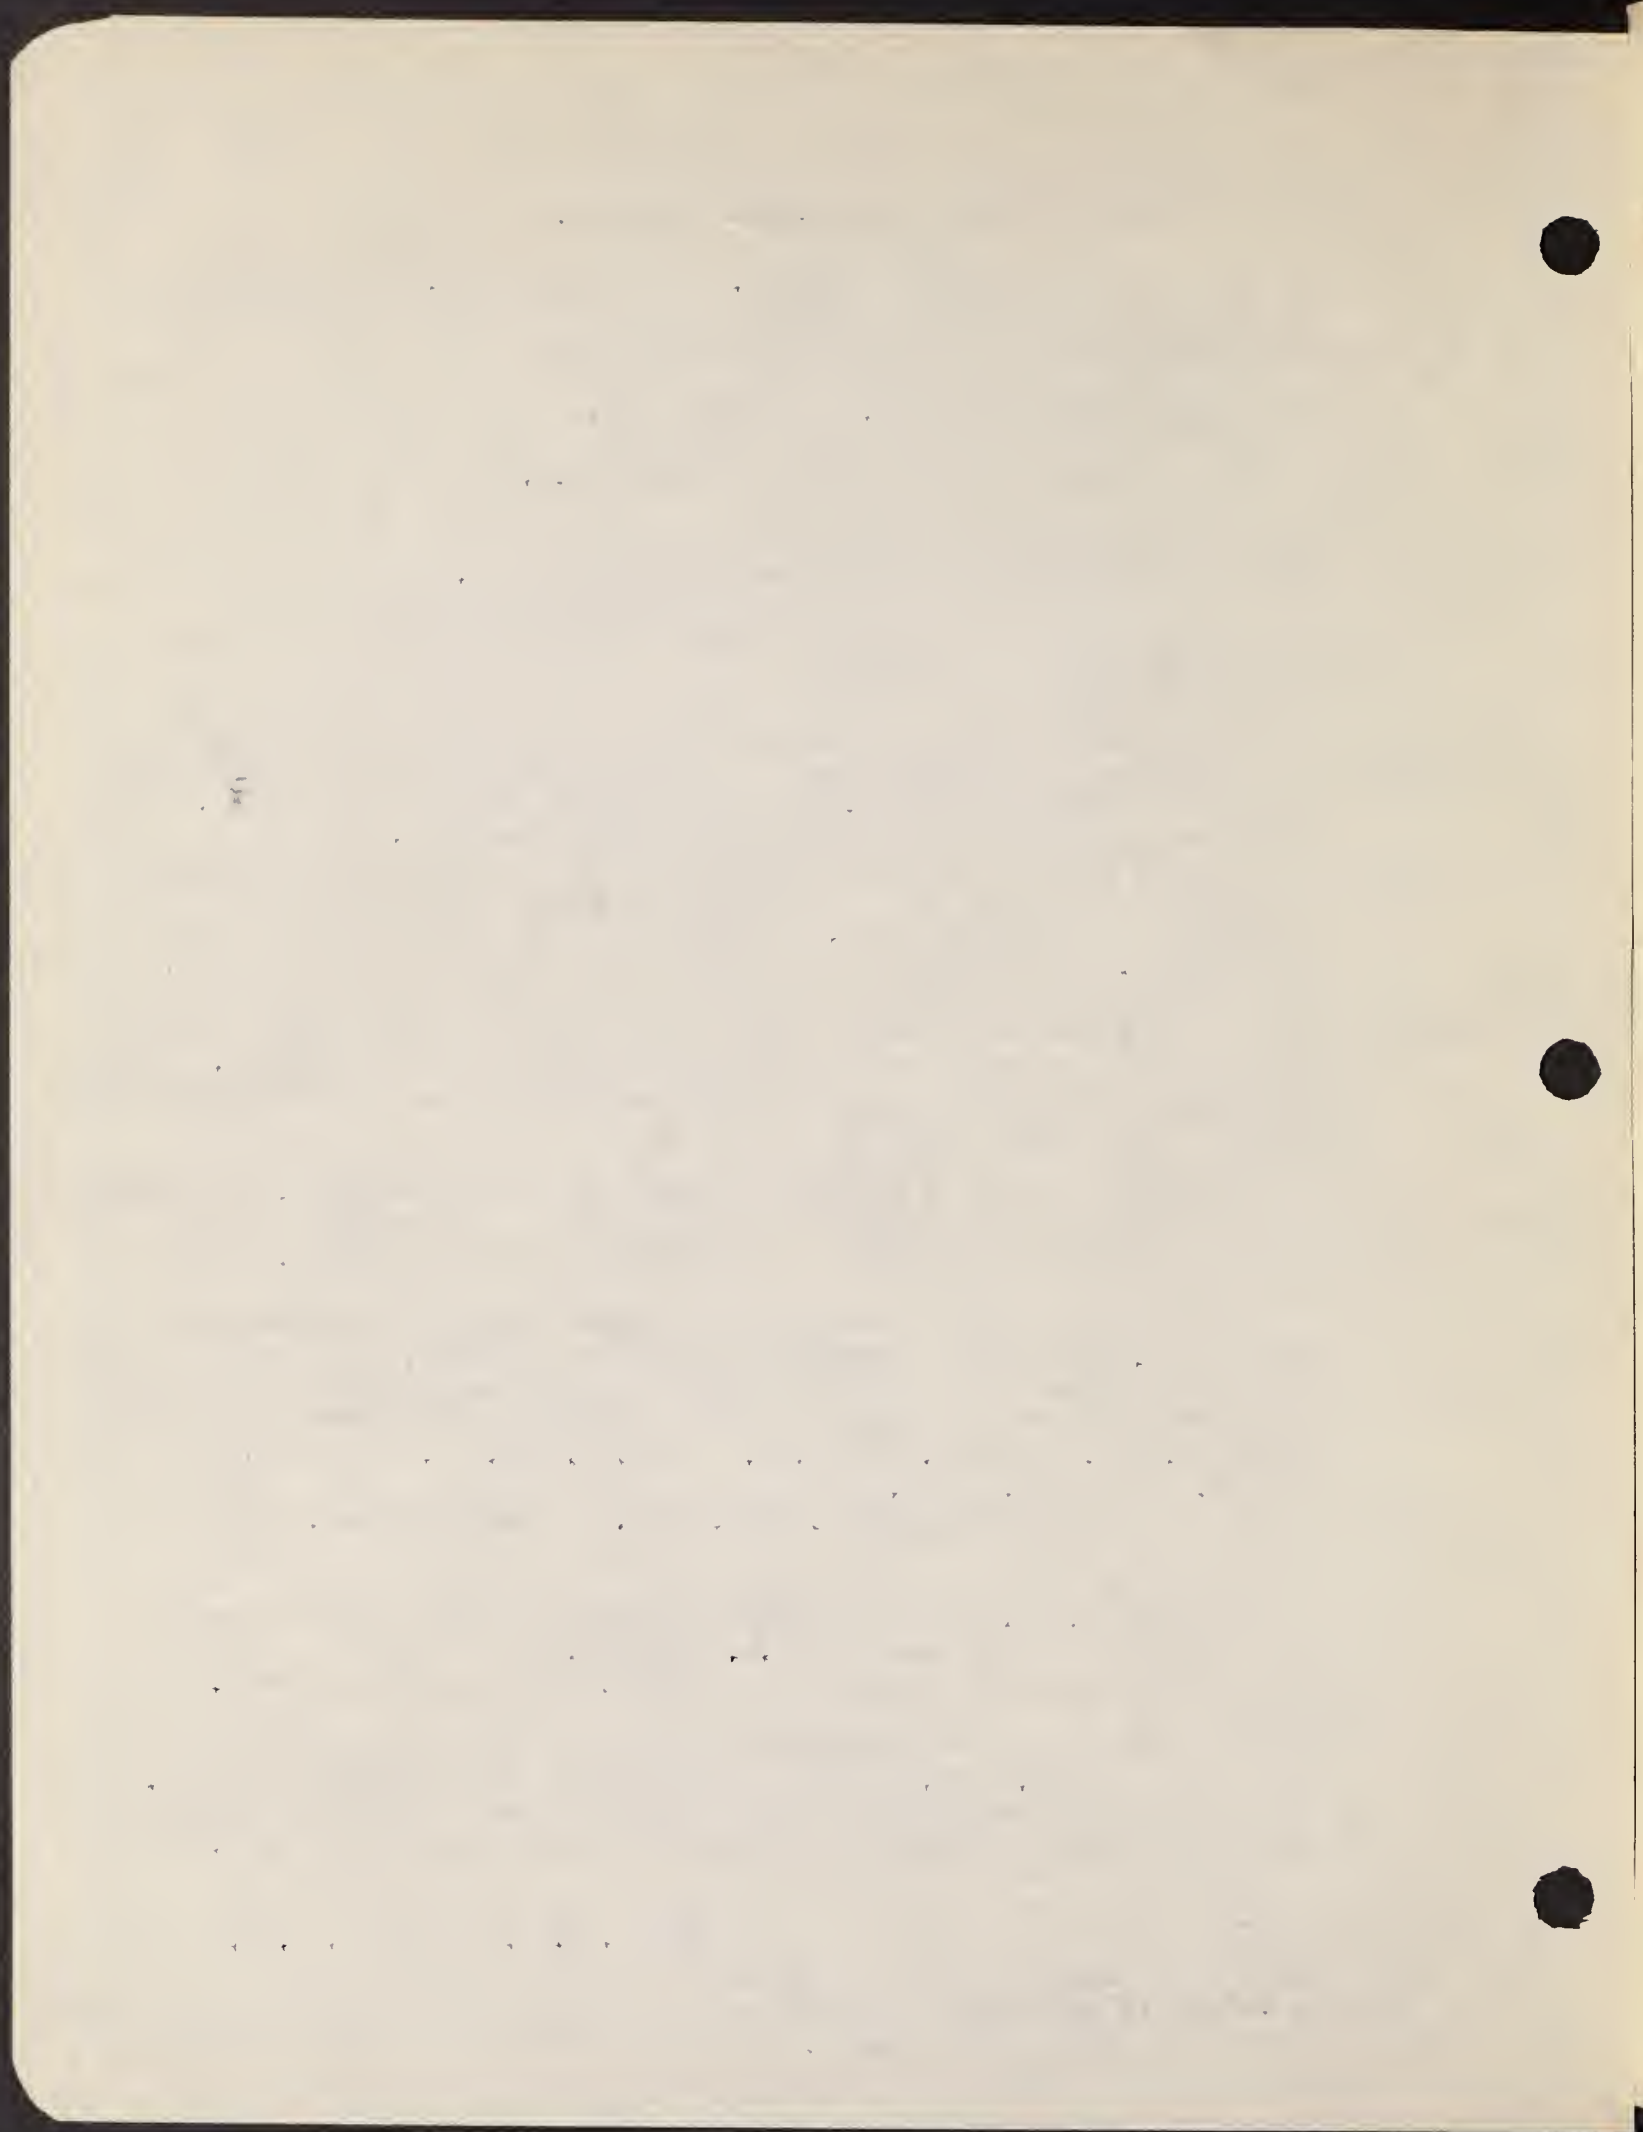

On Oct. 24. 1797. at Kingston. Deborah Van scot is praying for land as a daughter of John Vanscot a U.E. Loyalist.

Kingston 20 Sept 1797. Signed DEBE VAN SCOT.

The above two petitions were confirmed by His Honor PETER RUSSEL on the 13 Of Nov. 1797. I have photostat copies of the above petitions.

The different spellings of the family was common among the Loyalists as many could not write and others spelled it as it sounded to them.

Van Cott's must have moved from Adolphustown Twp. about this time.

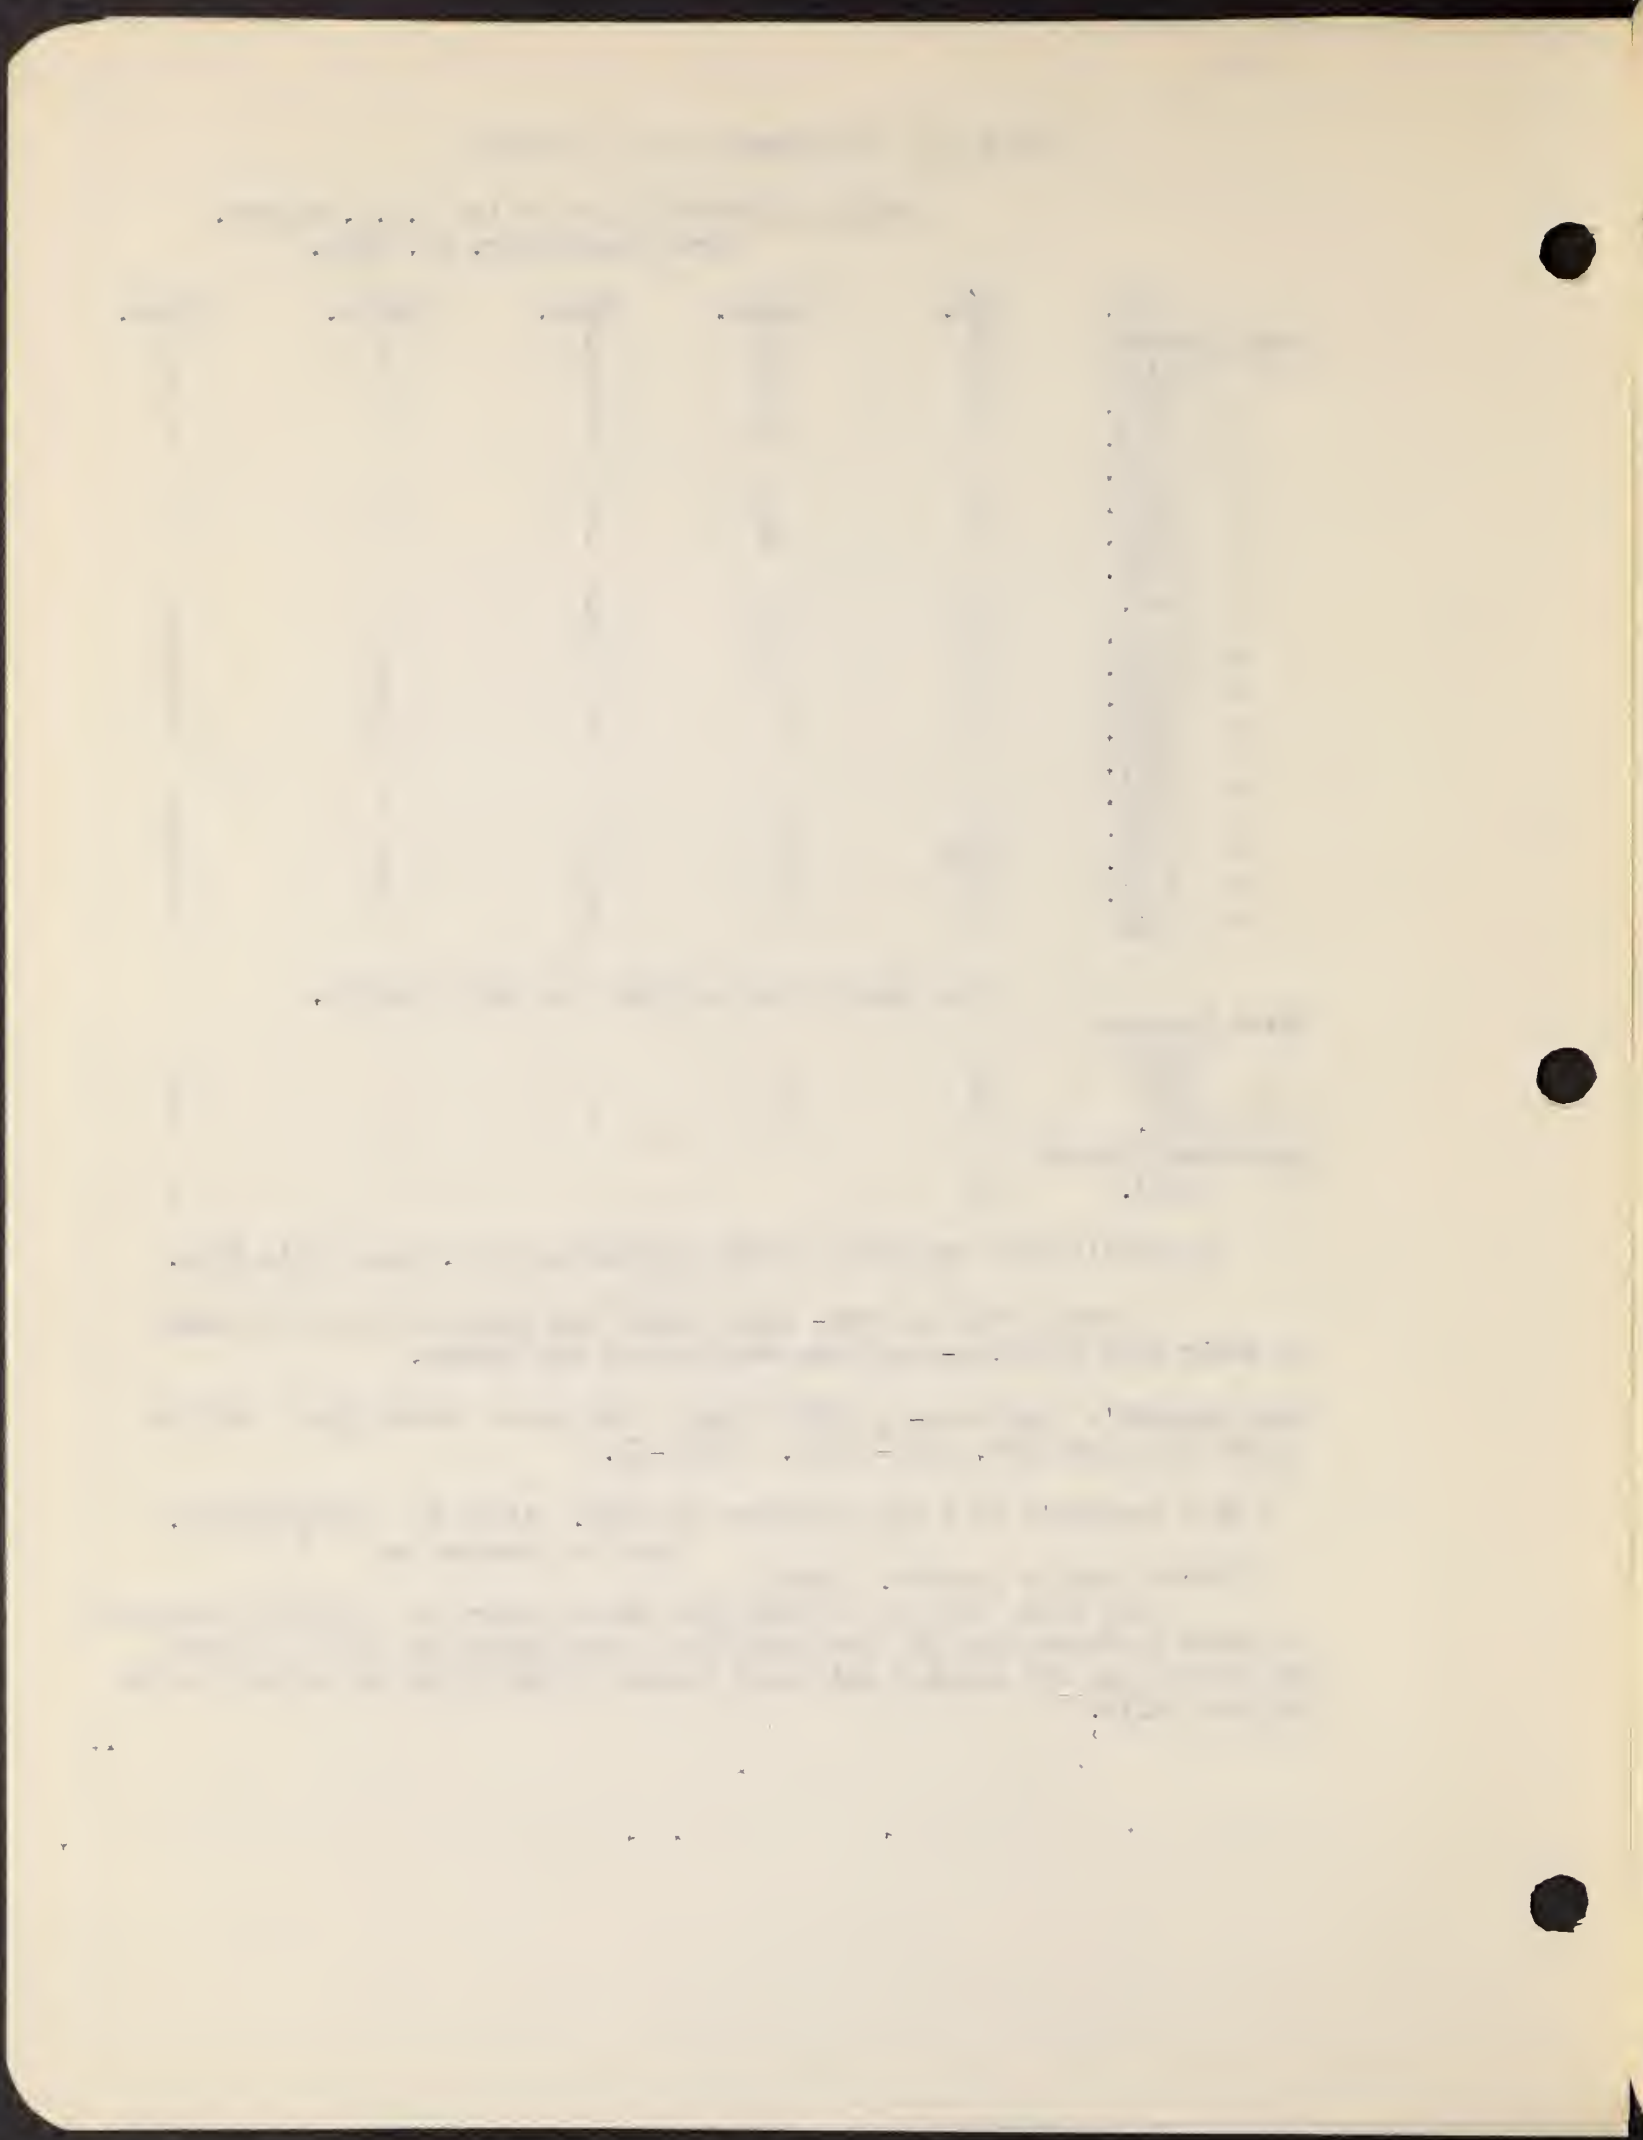

One of the by laws- each family was given a mark to be used on their LIVE STOCK,asm many ran together on the common.

John VanCott's mark was- A HOLE IN EACH EAR AND A SMALL CROP OFF THE ENDOF THE RIGHT EAR. I800- I806. I807 -Il.

I find VanCott's in a old directory of I860. living at SHANNONVILLE.

Sarah Cecilia Vancott. (Post)

my Aunt told me in I937 that she was born at MILLTOWN which was a short distance East Of Shannonville on the Salmon River and I drove her there and she pointed out about where father lived and worked in the big saw mills.

I wish I could find the given name of PETER Van COTT'S
First wife-*MARY* GEROW. In 1937 I asked my aunt SARAH CECILIA, who was a grand-
daughter but she could not recall it, if she had ever known. I have done
considerable work on the Gerow family and find some were Rebels and some
Loyalists, who first went to Nova Scotia and then to Upper Canada.

Dec. 1962. I now find in Rev. Robt. McDowall's marriage register, Presbt.

The first thing I noticed
 when I stepped out
 of the car was the
 smell of the sea.
 It was a strange
 smell, not like the
 salty air I was used to
 at home, but something
 new and exciting.
 I had heard that the
 water was clean and
 the people were friendly,
 but I didn't know
 what to expect.
 The first day was
 a bit of a shock,
 but I soon found
 that I was in luck.
 The weather was
 perfect, not too hot
 and not too cold.
 The people were
 very helpful and
 the food was
 delicious. I was
 in good luck.

The V A N C O T T Families

Considerable variation in spelling of this surname developed in the various records which have been available to date.

VanCATS; Van COTT; Van SCOTT; Vanscot; VanCOTZ;

Based largely on the over a half century research carried out by Mr. Frank VanCott of Salt Lake City, Utah, we have the following:

CLAES VAN CATS left his home in Schoonhoven, Holland in 1652, came to America and settled on Long Island, in New York state. Here with his wife JATALYN JANS made a home and raised a family of at least three sons, viz:
Cornelius born 1671; Johannes in 1674; David in 1680;

Cornelius married and had a son born 1693 named Cornelius, who at maturity married ANNATJE SPRONG. When their son David was born in 1728 he was christened as David VanCott. A son born to David was named John VanCott and it was he who became the first known of the name to settle in Upper Canada. After marriage to GERTRUDE COLE they made their home at Poughkeepsie, N.Y., where at least three of their children were born and baptized in the Dutch Reformed Church. Deborah in 1777; Sarah and Peter (twins) in 1781. The Adolphustown census of March 1794 recorded a family of seven which could be about correct as the family settled there after the disbanding of the R.R. of N.Y. late 1783 at Kingston. These facts are more or less confirmed by photo-stat copies of land book records from Public Archives in Ottawa, recently to hand, which show that John (A) Vanscot states he was a discharged soldier from the Royal Regiment of New York; had been allotted one hundred acres of family land, and was praying for an additional 200 acres, as well as land for his seven children, namely: Alida (maybe Deborah), Sarah, Peter, Ann, Catharine, John and Cornelius. His petition dated at Kingston 20th Sept. 1797, was approved as a U.E.L. On the 24th of October 1797 his daughter Deborah Vanscot also made petition for the land grant allowance available to children of U.E. Loyalist, when they became of age. She signed this as Debe Vanscot and it was approved.

Johannes VanCott born 1674, Bushwick, L.I.; had a son Nicholas born there 1721; who had a son Johannes born Oyster Bay, L.I., 1747; who had a son Losee born 1789 Washington, N.Y.; who had a son John VanCott born in 1814 at Canaan, N.Y., who was the father of our biographer Frank VanCott of Salt Lake City.

Coming back to the family of John VanCott and Gertrude Cole VanCott, we find no record of marriage of Deborah (or Alida), her sisters or brothers with the exception of Peter VanCOTT, of whom we can report: ^{and 1807}

Peter VanCOTT b. 1780 was twice married: 1) Miss Gerow; 2) Amelia CUMMINGS;

SOME OF THE Y O U N G FAMILIES IN PRINCE EDWARD

Captain ROBERT YOUNG of Carrying Place

Robert Young was born in or near New Glasgow, Scotland in 1737, coming with his family to the Boston area of Massachusetts before reaching his majority. Adopting seamanship as his avocation, he quickly rose to status of Captain and during the American Revolutionary War was given command of a British Man-of-War. He reputedly was present at the taking of Louisbourg and later at the capture of Quebec. He also was a competent shipwright.

He married (name of wife cannot be traced now) and lived in Boston where a son and daughter were born. His son Joseph also became a mariner and was Captain of a sailing vessel trading with the West Indies when lost at sea. His daughter, Mary married an Isaac Hutchinson, and after the Peace of 1783 they came to Prince Edward and settled near Hillier.

Following the death of his first wife, Captain Young married a widow Jean (Johnson) McGregor, a native of Derry Ireland, and they raised seven sons and one daughter, several of whom were born in Nova Scotia, in the Annapolis Valley where a brother (Job) of the Captain had earlier settled.

Late in 1795 Captain Robert Young embarked with his wife and family in a ship bound for Upper Canada. Early the next spring they reached Prince Edward County, in what is now Ontario province, and settled at Carrying Place.

As a British officer, the Captain was awarded 2,000 acres of land; 800 acres being in the Carrying Place part of Ameliasburg township, and the other 1,200 acres along the shoreline of Lake Ontario and Pleasant Bay in Hillier Twp.

Their first log cabin home served until the erection of the commodious colonial type residence erected on lot number two, C.P., in 1808. This fine country home still attracts much attention, and is kept in an excellent state of repair by the great, great, grandson, Edward Blake Young its present occupant.
